Welcome

It's important for the children to understand that we will never be perfect. But that we need to make every effort to walk in the Fruit of the Spirit. Doing this will help to build our character and we will be a blessing to those around us. God showed us His goodness by sending Jesus to us and we can be a good example by showing His goodness to others.

Main Lesson

The Good Samaritan: Luke 10:25-37:

Let's begin by singing along with this video song reminding us of God's Goodness.

"God is so Good" : <https://safeYouTube.net/w/K6nN>

Today's Bible Story speaks to us about being Good. It shows us that we can all make a difference and that the Good Samaritan showed compassion, he was caring towards someone else.

Watch the Bible Story of "The Good Samaritan" Luke 10:25-37 :

Boys and girls our **Key Point** for today is "**Goodness comes from the heart!**" We can see from our Bible story that one person acted very differently. Can you remember who it was? Yes the Good Samaritan, he helped someone he never even knew and then paid for him till he got better. Our actions can mean so much more to others than what we just say. When we put action to our words we see amazing things happen and the best part is that the Holy Spirit is there ready to help us as our Helper.

Remember our Key Point: "Goodness comes from the heart!" To show Goodness means you are using the Fruit of the Spirit and the Holy Spirit can help you to show Goodness to others.

Life Application

"Showing a heart that is full of Goodness!"

Girls and boys we can learn from today's Bible Story that showing Goodness can make a difference in someone's day. Has anyone ever done something good for you or to you? Can you think what it was? Let's remember to show others goodness just like in the Bible story.

Let's watch this short video on what kids think about Goodness :
